As Head of Consulting for FranklinCovey ANZ, Paul is responsible for ensuring world-class delivery and consultation services are provided to organisations to improve performance in four main areas:

- Individual Effectiveness
- Leadership
- Culture and
- Strategy Execution.

Paul has a diverse career that is both intriguing and varied, ranging from:

- Leading teams to resolve emergency incidents in the London Fire Brigade
- Operated as a part of a peace keeping force with the British Army
- Designed and facilitated global leadership programs in the financial services and banking industries
- Expert coach to CEO's through to young people
- Keynote speaker at international conferences on leadership, trust and decision making during a crisis.

Paul specialises in providing principle-based, research-driven leadership and personal effectiveness training and consulting solutions.

Paul is passionate about coaching individuals, teams, organisations and communities to realise their potential and to make a difference in this world.
